VOTE FOR

Experienced & Qualified: Federal Government service in Washington, DC, State Government service in Harrisburg, small business owner, non-profit leader, long time Republican campaign

volunteer & 2010 Congressional candidate, independent thinker, not an incumbent!

Perfect fit for the 15th Senate District:

Conservationist who has protected thousands of acres of Pennsylvania's forests and farmland including Dauphin & York counties, lifelong hunter, fisherman, outdoorsman, NRA, Tree Farmer, Penn State 1988 graduate.

My Goals: Lead by example - reform COLAs & state pension plan for elected officials, I will not take state health care plan or pension plan, conservative, limited government, put the US and PA Constitutions first, balanced budgets, term limits, less regulation, bring back jobs, reform property taxes, promote shale gas & wise energy independence, food independence through farmland preservation, school choice, eliminate death tax.
